# Council to discuss new ferry links

HOPES are high of a new ferry service between Weymouth and Cherbourg.

The borough council's Harbour Management Board was being told today, (Wednesday 16th), that the new ferry service could start before Easter next year.

The company had originally been in talks

by Trevor Bevens

with Portland Port but switched its attention to Weymouth when Condor announced it was

moving to Poole.

Councillors were told that negotiations are continuing between the

borough council and operator "High Speed Ferries" with the aspiration of a twice daily crossing starting on April 1st, 2016.

**BOB Carter lives in Honiton with his wife Ros and works with Honiton Cats Protection, a charity that helps cats find new homes. He has risen from adopter, to secretary, to the new co-ordinator of the branch.**

#### ● HOW did you become involved with Honiton Cats Protection?

My wife would be classed as an Ailurophile, and started fostering with Honiton cats Protection in 1992, and I helped her with looking after the foster cats and going on home visits.

In 2003 I became Secretary for the Branch, and continued with assisting my wife fostering, catching strays occasionally, going to check the suitability of homes, when people want to adopt cats etc.

#### ● WHAT are the most rewarding things about helping animals?

Fostering can be very rewarding, Late one night we picked up a cat from Turks Head. It was badly injured as its collar was around her head and paw. After many visits to the vets, her injury was no better, so the vets did a skin graft, which, after three months' care did the job. Following advertising Phoebe, as we called her, was reunited with her original owners. She had been gone for more than a year, and the owners had given her up for lost, so it really was a happy ending.

#### ● ANY unusual incidents?

WE had a mother with some six-week-old kittens, who had not been socialised. My wife Ros warned me that they were a bit feral, but I said they were only six weeks and needed to be handled, I picked one up, and within an instant the kitten had sunk his teeth in my little finger, they only have their baby teeth at that stage, but it was like a few needles going in! It was slightly embarrassing going to Honiton A&E to get it seen to! (I needed a large tetanus jab).

#### ● YOU became the co-coordinator of the branch, what's that like?

It can be quite challenging at times dealing with some difficult issues, there are occasions when you need to take some difficult decisions, for example if a cat has serious health problems, but there are fortunately many more times when we find a lovely new owner a feline companion, and we get photos of the adopted cat in their new home.

Being involved in this work also has sometimes unintended results, in the last few years some of the foster cats have "adopted" us and have come out of the pen into our home and we wouldn't be without them now!

#### ● WHAT other challenges does the organisation face?

# 60 SECOND INTERVIEW

Getting enough volunteers to help with fostering the cats in our care, and also to help in our shop in the High street, which is our biggest source of weekly income, in order to be able to do what we do. We do need another fosterer and shop volunteers are welcomed with open arms.

#### ● APART from fostering cats what other aims does Honiton Cats Protection have?

One of Cats Protection's aims is to try to stop too many unwanted cats. This year we have been running a scheme for neutering and microchipping for the EX14 area for £10. Last year we neutered 266 cats, and this year so far about 100, we hope in the long term this will assist in reducing homeless felines.

#### ● YOU'VE been fostering cats from the Cats Protection since 1992?

I HAVE always had cats, from a very young age and they never stop being entertaining. We had a "cat proof" fence built around our back garden, partly to let some of the foster cats have a bit more freedom. At the time we had two cats called Betty and Boop, who we let out in the fenced area. Within about two minutes of being let out, Boop had climbed the fence, and got onto the roof of the bungalow, and we then spent the next hour trying to coax her down! These two cats were homed to a lady in Honiton, who soon became our Treasurer, so cats help with making new friends!

#### ● HOW many members does Honiton Branch have?

We are a small branch covering the EX14 area and have between 30 to 40 members, membership is only £8 a year and you get our small magazine three times a year to keep you in touch with everything.

#### ● HOW many cats do you help each year?

Last year we rehomed 42 cats, and kittens, together with helping reuniting strays with their owners, ferals and other cats in need.

#### ● DOES any of your funding go to the national organisation?

No, all monies raised in the shop or other fundraising goes directly to help cats and kittens in the Honiton area only. We do get a grant to help with neutering, but we keep all money that we raise in the area. We really are a local charity.

# Off-shore wind farm plans axed

SOUTH Dorset MP Richard Drax has welcomed the Government decision not to go ahead with a 121-turbine wind farm off the Dorset coast.

The Navitus Bay Project, which would have cost £3.5billion to build, could have brought new jobs to the area with Portland Port on the short-list as a supply and maintenance base.

The Government decision claimed that the turbines, each 200 metres high, would undermine the local tourism industry, which benefits from the nearby Jurassic Coast, a Unesco world heritage site.

Maria McCaffery, chief executive of the wind industry lobby group, RenewableUK, said: "This is a missed opportunity as it means we're failing to capitalise on the UK's superb offshore wind resource and the economic benefits it brings."

Navitus would have provided power for up to

## By Trevor Bevens

700,000 homes. It was being proposed by the Dutch firm Eneco and French power company, EDF Energy.

It is only the second time the Department of Energy and Climate Change has rejected an offshore project.

Mr Drax said he was delighted by what he called a "common sense" decision which would protect the area's natural beauty and its tourism industry.

The Planning Inspectorate spent six months studying the proposals, which developers said would bring £1.6billion to the UK's economy over 25 years.

Local councils, the National Trust and well-sup-

ported protest groups had opposed the plans, with Dorset Conservative MPs also opposed to the scheme.

The National Trust also welcomed the news that the Navitus Bay Wind Park has been refused planning consent.

"We always believed that this is the wrong proposal for this location and will lead to damage of a beautiful coastline," said Ian Wilson, Assistant Director of Operations for the National Trust in the South West.

"We commissioned our own study and found the wind park would negatively impact on these important landscapes and seascapes of nearby coastlines."

But the Trust says it remains committed to renewable energy that works in the location it is built.

"We believe strongly in the need to grow renewable energy generation and wean ourselves off fossil fuels, but it has to be in the right place at the right scale. We could not support the location and scale of the original plan put forward by Navitus Bay Development Ltd so close to National Trust land and the World Heritage Site," said Mr Wilson.

## Woman, 86, dies after lorry collision

POLICE are appealing for witnesses to a collision in Weymouth in which an 86-year-old local woman died.

The accident happened shortly after 10am on Friday morning of last week (September 11th) in Preston Road, where it was reported a pedestrian had been hit by a lorry.

The woman's next of kin have been informed and the coroner has been notified.

The driver of the lorry, a white Iveco box van registered to a company from Wimborne, was uninjured.

Motorists suffered long delays while Preston Road was closed between the Chalbury roundabout and Sutton Road while collision investigators examined the scene. It was re-opened at 2.37pm.

Police Constable Simon Fairholme, of Dorset Police's Road Traffic Unit, said: "I am appealing to anyone who saw the collision or saw the lorry or pedestrian prior to the incident to please call me on 101.

"All calls will be treated in strict confidence.

"I would like to thank motorists for their patience during the road closures which were put in place to allow emergency services to deal with the incident."

Witnesses and anyone with information should call Dorset Police in confidence on 101 quoting incident number 11:95.

Alternatively, call the free and anonymous Crimestoppers line on 0800 555 111 where mobile phone tariffs may apply.

## Bike shop makes final of Britain's best name

A WEYMOUTH business has made it in the final of a competition to find Britain's Best Business Name.

Weymouth's Mud, Sweat and Gears, owned by Andy Leach, has made it in to the final top ten after being nominated on Twitter, and now they need your votes.

Other finalists include: Bill's Gates – Buckinghamshire (automated gate installations); Full Proof – Cheshire (proof reading service); Jason Doner-van – Bristol (fast food van); Making You Content – Manchester (content creation service); Father Treads – Liverpool (mechanics); Spruce Springclean – Cornwall (cleaners); Surelock Homes – Hampshire (locksmiths); The Hip Hop Chip Shop – Manchester (fish and chip van); and Tree Wise Men – London (tree surgeon).

The competition is being run by online utilities company Making it Cheaper, along with the Federation of Small Businesses (FSB).

Members of the public can vote for their favourite name by visiting <http://bit.ly/MIC-BestBizNames>

■ ANDY Leach with landlord Mickey Jones

The overall winning business will receive a £1,000 business improvement package, which can be spent on anything from marketing and advertising, to upgrading their business premises.

Martin Cutbill, Head of Commercial Services at the FSB said: "Every business has the challenge of maintaining high levels of awareness amongst prospective customers, and this goes beyond

simply knowing who you are – consumers need to know what you do, too.

"The better the business name, the easier it will be for customers to remember. These ten finalists have brilliant business names that you will only need to hear once, and they immediately become difficult to forget!"

The poll closes on September 23rd, and votes after this date will not be counted.

## New ferry service could run from Weymouth to France

### FROM page 1

The route is expected to be covered by catamarans similar to those previously operated by Condor.

The new service will be some compensation for last year's loss of the Condor Ferry service contract to Poole which has not only caused a drain on the harbour balance sheets but has led to loss of income for some hoteliers and bed and breakfast establishments.

Board members were being asked to endorse recommendations to

the borough council which include continuing to maintain the port's restricted area – which is needed for border control and security, while talks progress. Some changes and improvements will be needed, expected to cost around £25,000.

In today's report to councillors they are being told that the ferry company: "Have demonstrated their commitment to this project by covering many of the costs of maintaining the restricted area whilst ne-

gotiations have taken place. They have also committed to funding alterations of the facility to meet the requirements for the proposed service at their risk."

Said Jason Osborne, council Brief Holder for Tourism, Culture and Harbour: "We're cautiously optimistic and are negotiating hard to get the best deal for the town."

"A short two hour crossing is a fantastic asset for the town as a gateway to France to attract people from the West of England and beyond.

"It would potentially provide a welcome economic boost; bringing jobs and visitors to enjoy our wonderful area."

A report to the Harbour Board sets out potential details of the proposed service including a three year contract; twice daily summer crossings and a winter schedule servicing an estimated 266,000 annual passengers and 91,000 cars. The company will also offer day trips in both directions.

Chairman of the Har-

bour Management Board Colin Huckle said: "A lot of hard work behind the scenes has brought us to where we are now with the prospective ferry service. The board welcomes this report and will consider it carefully.

"If endorsed by the Harbour Board the recommendations will be considered by the borough council's Management Committee and then Full Council."

If approved HSF could start to occupy some buildings in the

port by mid-October.

The Harbour Management Board is a public meeting which takes place today, Wednesday, September 16th at 4pm at WPBC's North Quay offices.

# Waste group predicts £700,000 overspend

AN overspend of almost £700,000 is being predicted by the Dorset Waste Partnership for the current financial year.

Councillors heard on Monday, (September 14th), that an action plan to tackle its initial £2.7million overspend had worked, but had still not completely solved all the problems.

The business has been rolling out the Recycle for Dorset scheme which has seen wheelie bins and new collection timetables across most of the county.

In some areas this has led to

scores of complaints.

Councillors heard on Monday that hire vehicle costs were £190,000 more than anticipated and that the fortnightly garden waste collection scheme was costing £130,000, rather than making a profit as has been hoped.

Other problem areas include not meeting savings targets, higher than expected redundancy payments and an extra £200,000 for interim management costs.

The situation would have been far worse had the cost of fuel not dropped during the year.

Said Mike Harries, Dorset County Council's director of environment and economy and chair of the DWP management board: "While there is currently a projected potential overspend of £686,000 for 2015/16, we have succeeded in bringing this figure down from more than £900,000 earlier in the year and are working extremely hard to reduce this further over the coming months..."

"We will continue to drive out savings and look for income opportunities wherever possible."

## Join the Great British beach clean

LOCAL beaches will get a autumn clean this weekend as part of a national beach clean event.

Beach cleans taking place locally include: Seatown on Saturday, September 19th at 11am. On Sunday 20th there will be beach cleans from 11am at Newtons Cove and 3pm for Ringstead Beach. There will also be a volunteer group on the Chesil beach, meeting at the Taste Café at 11am. Those who volunteer will get free parking and a 10 per cent discount in the café.

Marine Conservation Society Beachwatch Officer, Charlotte Coombes, said: "Beach litter has steadily risen over the two decades we've been recording it on UK beaches.

"Last year's Great British Beach Clean attracted al-

most 5,500 volunteers to more than 300 beaches. It's a citizen science project that has become the most respected and long standing beach litter survey in the UK."

The society say that volunteer's help is greatly appreciated and makes a significant difference to Dorset's coastline.

During the litter pick volunteers will be asked to record any branded items they find, to enable the MCS to approach manufacturers and investigate ways to reduce the amount of rubbish from their products reaching the beaches.

For more information on The Great British Beach Cleans visit [www.mcsuk.org/beachwatch/greatbritishbeachclean](http://www.mcsuk.org/beachwatch/greatbritishbeachclean).

# County-wide Badger cull could be extended

BADGER culls in Dorset are likely to continue beyond the existing six-week period and are no longer being considered by the Government as a "pilot programme".

In the Commons on Thursday the farming Minister George Eustace confirmed that the Dorset cull is now being considered as an extension of the other culls in Somerset and Gloucestershire.

"We have decided this year to make a cautious roll out by adding one additional cull area in Dorset and obviously in light of that will review things again," he said.

He also confirmed that Defra is consulting farmers on making the cull areas smaller and the time period for the culls open-ended.

**By Trevor Bevins**  
trevorbevins@gmail.com

At the moment the badger culls are organised and paid for by groups of farmers who have to apply for a licence which is only granted if strict conditions are met. This includes having 150 square kilometres in total and within that period at least 75 per cent signed up to the cull.

Defra is suggesting reducing this to 100 square kilometres and removing the 75 per cent sign up – and changing the limitations to making the land "accessible" in "approximately" 90 per cent of that area.

The proposals suggest making the cull open-ended from 2016, although there would still be a period when no shooting would be allowed when badger populations are breeding.

The Badger Trust says the proposed changes have come about after pressure from farmers and have no scientific basis – they say the proposals merely reflect the fact that the cull companies have had difficulty in signing up enough landowners.

The NFU say they would welcome the changes.

Dorset's NFU chairman Trevor Cligg said this week that he was "absolutely certain" that the badger cull in the county would have a significant impact in the fight against bovine TB.

"With around one in seven cattle herds in Dorset

under movement restriction because of bovine TB at the end of last year it is vital we do everything we can to stop this disease spreading.

"Previous trials have shown that targeted badger culling does help in the fight against bovine TB in cattle in areas where the disease is endemic...the only way we are going to get on top of the situation and stop the cycle of reinfection is by tackling this disease in cattle and badgers."

Meanwhile the Dorset Badger Vaccination Project has said that it has now caught and injected more than 100 badger against bovine TB.

The group's operation, which is sanctioned by Natural England, will continue until the end of October.

## Communities rally to help refugees

SEVERAL local efforts are underway to collect both cash donations and items of clothing and other essentials for refugees.

A Facebook appeal by Sinead McCahey, owner of Heybaby, near the Brownsword Hall, led to dozens of boxes being filled with donations.

She is working with Cal-Aid, a group of volunteers collecting donations for those living in the Calais refugee camps.

Donations have included tents, winter clothing, sleeping bags and clothing for children.

A number of volunteers helped in packing the donations.

Sinead said: "We're only open between 9.30am and 5pm. If people want to donate they are

Dorchester's Oxfam Shop in South Street is also collecting cash donations for the refugee appeal.

Meanwhile donations are being welcomed at Weymouth's British Red Cross shop at 96 St Mary's Street, Weymouth.

The shop particularly wants children's toys, games, puzzles, paperback books and old jewellery. They will not be collecting clothes to send abroad as it costs too much to send them.

An appeal has started to collect items for refugee children in Kent.

Weymouth and Portland Mayor Christine James is also asking for room or empty garage space to store the items.

For further information contact Helen Legg, Civic and Ceremonial Officer on 01305 838083.

## Museum hosts events honouring artist

■ EXHIBITION curator and Craxton's biographer Ian Collins with one of Craxton's paintings

TWO events tied to the current John Craxton exhibition at the county museum take place this week.

Ian Collins, curator of the exhibition will talk about the life of artist John Craxton in Crete on Friday 18th at 7.30pm. The following day, Saturday 19th at 11am, Ian will be offering brunch and a private tour of the exhibition.

John Craxton (1922-2009) has been described as one of the most interesting and individual British artists of the 20th century. He lived in Dorset, in Cranborne Chase; in London where he was friendly with many of the great artists of the era, and later in Greece. Each era is reflected in his paintings.

The Dorset County Museum exhibition, curated by Ian Collins, John Craxton's biographer and executor, is the largest collection of his work ever brought together. The exhibition will run until September 19th.

For more information call the museum on 01305 756827.

# On your marks, get set, GO!

■ WAITING for the swim start

■ HEADING out on the swim leg of the triathlon

■ YELLOW start

IT was barely light on Sunday morning when hundreds of triathletes threw themselves into Weymouth Bay – many knowing there could be 16 hours of punishing effort ahead of them.

Wave after wave of swimmers took to a calm sea at 7am for the 3.8km swim section before setting out on a

180km bike ride and then a full marathon run.

For the handful of pro athletes taking part in the Challenge Weymouth event the torture was over in relatively short time – 8 hours and 42 minutes for the male winner and new ETU European Champion, Marek Jaskolka (POL) and 9 hours and

41 minutes for the first female home, also taking the European title, Camilla Lindholm (SWE).

Chris Walker from the Weymouth-based Bustinskin Club was first local finisher, first in his age group and first non-pro home, in 9 hours, 13 minutes. The time earned him 8th place overall.

Further down the field was another local winner – Barbara Hackworth from Burton Bradstock who celebrated her 60th birthday by winning the age category in a time of 14 hours and 7 minutes, taking a year to train for the challenge.

Around 400 took part in the full distance event with slightly more than 500 competing over half the distance – amongst them Dorchester athlete, and another Bustinskin member, David Lester who knocked around 40 minutes off his personal best for the distance in the 50-54 age category, finishing in 5 hours 21 minutes.

This year's event will be shown in an hour-long summary programme on television by Channel 4, Sky Sports and Euro Sports.

Organiser Lucy Rose paid tribute to local people who joined family and friends in cheering the athletes on. She added that despite the grey and wet start the weather ended up being nearly perfect for the competitors.

"We would like to say a massive well done to all the competitors and a big thank you to the community for all their help and support."

## Time to sign up for Lions Swimathon

ENTRIES are now open for this year's annual Lions Swimathon at Dorchester Sports Centre.

The 33rd annual event, which has raised more than £100,000 for charity, takes place on Saturday, October 3rd from 1pm-6pm and Sunday 4th from 9am to noon.

All sponsorship money is divided between local Lions' good causes and those chosen by participants.

Teams of up to six can enter for free, swim as much, or as little as they like in relays, in return for collecting some sponsorship.

Andy Rose from the Lions said: "This is a fun event that we love putting on each year. It's not an Olympic trial - but nonetheless friendly competition can often creep in between teams!"

"Each team swims

for 55 minutes and obviously the idea is to raise as much money as possible. Nominated good causes may be local, national or any group who are disadvantaged for whatever reason. And in order to maximise fundraising opportunities, we even have the small pool available from 4pm to 6pm on Saturday for aquafit teams or those who prefer shorter lengths."

The entry and sponsor forms can be downloaded at [www.lionsdorchester.org.uk](http://www.lionsdorchester.org.uk) - or picked up in Dorchester at Gould's Household Store, the tourist information centre or from Dorchester Sports Centre.

For further information, enquiries and to confirm your team's swim time, ring Mervyn on 01305 812404 or Andy on 267481.

## Strollers go for a wander

■ DORCHESTER Strollers have enjoyed a walk which took 17 members from Max Gate, across the water meadow, along the river path and up to the Old Manor in the grounds of Kingston Maurward College.

The group used the permissive bridleway through the college grounds and then down the path by Stinsford Church, pausing to look at the three bears on the roof of Three Bears Cottage and outbuilding, then retraced their steps back across the meadows ending with a cup of tea at The Trumpet Major.

The Dorchester Strollers is an accredited Walking for Health Group offering two regular walk days each week, each offering a slow walk of up to three

quarters of an hour (half an hour on the first Tuesday in the month) and a longer faster walk of an hour.

The group is always looking for new Walk Leaders/Backmarkers and have a training day on October 21st. Anyone interested is asked to come out on a walk before volunteering.

Programmes are obtainable from Dorchester Tourist Information Centre or by ringing 01305 263759 (answerphone) or by looking on the Walking for Health website [www.walkingforhealth.org.uk](http://www.walkingforhealth.org.uk).

AXMINSTER clinic for fine lines and wrinkles was established in 1999. We are associates of the famous Knightsbridge clinic of Dr Rita Rakus. In addition to our various injectables and fillers, our Doctor has recently introduced some exciting new wrinkle reduction treatments in Axminster that have previously only been available in our Knightsbridge clinic. These include Pellevé, Sculptra, Aqualyx and our two exciting new additions Ulthera and Rejuvagen.

Rejuvagen is a new microneedling system for skin rejuvenation that can help repair deep skin damage without causing further scarring or discomfort. The skin will become firmer, pores smaller, pigmentation, texture and the overall condition of the skin improved.

Ulthera is a non-surgical, non-invasive

procedure for the face that lifts, tones and tightens loose skin. The treatment will gradually stimulate the growth of new collagen over time to strengthen and tone your skin from within with no downtime.

Sculptra works differently from traditional fillers gradually reducing lines giving a fuller natural look that can last up to 24 months.

## Warnings in place as rocks fall from cliffs

SMALL rock falls have continued to affect a Portland cliff – with officials warning people to stay well clear.

Hundreds of tons fell from Westcliff at West Weares last week – caught on camera by a local fisherman.

Councillor Peter Finney, Dorset County Council's Cabinet member for environment, said:

"The Jurassic coast is an eroding coastline which brings its own hazards. Our advice as always is to take care, take notice of warning signs and stay away from the cliffs."

"Dorset County Council countryside rangers regularly check the state of the coast path and ensure signage is in place, warning of any hazards."

The cliff path was re-routed inland through a disused quarry last year because of instability in the area.

**If you have a news story for Weymouth & Portland or for Dorchester, email [trevorbevins@gmail.com](mailto:trevorbevins@gmail.com)**

STAFF at Weymouth's Morrisons store raised more than £700 for charity of the year, Sue Rider.

Volunteers took it in turn to use a static cycle in the store's foyer to cover 870km.

The funding was increased by running a tombola, having a sweet stall, collecting buckets by the bikes, with some of the staff getting into the spirit of the 'cycle to the moon' challenge by wearing space themed fancy dress, or yellow. Staff also entered a quiz to win a prize.

The picture shows the store's community champion Chrissy Priddice (centre) organised the event with colleagues Jane Andrews and Sam.

"We would like to thank New Body Fitness for the loan of the bikes and Ricol Leisure for picking up the bikes and delivering them to Morrisons with only a moment's notice," said Chrissy, "We would also thank the customers of Morrison's, who always support us with our charity events."

# Green-fingered residents win prizes for gardening efforts

RESIDENTS from a Dorchester-based housing association have been recognised for their amazing gardens.

People from across Dorset attended the prize giving for winners of the Magna Housing garden competition.

David Aldwinckle, Magna Housing Association director, presented the prizes.

He said: "It was a real pleasure to visit such beautiful gardens and speak to the residents who spent so much time looking after them.

"We provide a good repairs and maintenance service for their homes, but it is up to the residents to look after their garden. It's great to see so many gardens looking so good."

The winner of the John Foot Cup for Gardener of The Year was Mr Hale from Chickerell. He was recognised for the hard work he had put into creating a vegetable garden from scratch, by building up a bank after the area was flooded earlier in the year.

He said: "I was very shocked when I found out I'd won. I'm not used to winning things like this. But I had a lot of help from my wife and my neighbours, so it was a joint effort really.

"I used to have a greenhouse before we were flooded, but I've never had a vegetable patch before. We had a really good crop for our first year: beans, cabbage, sprouts and loads of fruit.

"I keep looking at the cup on the mantelpiece and still I can't believe I've won it!"

Prizes were presented at a ceremony at Sandringham Court, Dorchester, one of Magna's sheltered housing complexes. All entrants to the competition were treated to a celebratory tea.

First prize winners were awarded £75 worth of shopping vouchers, the runners up were given £30 in vouchers.

Everyone who entered received a certificate of thanks and photos of their gardens.

Full results: Communal Garden - Miss Barrell, Symonds Court, Charminster. Runners up - Mrs New, Mr & Mrs Whitfield, Mrs Lemon, Mr & Mrs Thorne all of Lubbecke Way, Dorchester.

Pots/containers/patios - Miss Joy, Bridport. Runner up - Mr & Mrs Ward, Yetminster.

Vegetable plot - Mr Foot, Piddlehinton. Runner up - Mr Davis, Dorchester.

## Cycle challenge of a lifetime through Vietnam

WEYMOUTH resident, Rose Mussenden (pictured), is to bravely embark on a 300-mile, cycle trip from Ho Chi Minh in Vietnam to Angkor Wat in Cambodia, with the aim to raise more than £1,000 for the charity, Alzheimers Research UK.

Organised by the Discover Adventure, specialists in trekking and cycling challenges worldwide for charitable fundraising, Ms Mussenden's cycle expedition will depart on October 3rd taking her from Vietnamese Saigon, now Ho Chi Minh City, through the rice-

paddies and waterways of the beautiful Mekong Delta into Cambodia.

Ms Mussenden, a Civil Servant, is raising money for Alzheimers

Research UK. She is self-funding the total cost of the challenge so all monies raised will go direct to the charity for research into Alzheimer's.

Ms Mussenden's grandmother has been suffering from Alzheimers for several years now and she has seen at first hand the devastating effect that Alzheimers has had on both her grandmother and her family.

## Councillors tour new offices

WEYMOUTH and Portland Borough councillors have been taking a look at their new public offices – due to be opened in the New Year.

They have looked behind the scenes at what was the Mulberry Centre, which will provide a "walk in centre" in Weymouth town centre together with meeting rooms for councillors.

Once the offices open people will be encouraged to telephone or go online when they need assistance from the council – with the town centre offices in Commercial Road available for walk in assistance or to make appointments to see officers or councillors.

The building will also have a larger committee room for full council and for the public to attend than is currently available in the North Quay Offices.

Councillor Ian Bruce said, "That despite moving to much smaller cheaper premises the new centre will replace the

"The reception area and small interview rooms that the public now use at North Quay will be roughly the same size as now and there will be computer terminals and telephones for the public to access council services

and officers based in Crookhill and South Walks House.

"There will be a Mayor's parlour to host local and other civic visitors.

"The offices will cost less to run and are being designed to give a better working environment for staff, public and councillors."

Ray said: "It was a privilege to become a member of the lions club of Weymouth and Portland. I have admired their work from a distance for a long time, but after being invited to enrol the acts for the recent 'out loud festival' I realised how efficient and hardworking they are, and how hard they work to raise money for local good causes. I look forward very much to future tasks and getting the same pleasure raising finance for those in need."

# Learning brought to life in the canteen

PUPILS at the Isle of Portland Aldridge Community Academy had their learning brought to life by their in-house catering team.

Young learners at the Portland Academy have been learning about the topic of Africa and on Wednesday, September 9th shared an African themed lunch together.

The Portland Academy, which launched its in-house catering service for learners and staff in September 2014, is committed to promoting a firm focus on balanced nutrition using locally sourced ingredients.

Osprey Quay Campus Leader and Director

of Change and Innovation, Gary Spracklen said: "It is so important that all students are able to enjoy a balanced healthy diet.

"What's really special and unique about this at IPACA is that our teachers work with our in-house chefs to link a healthy diet with the curriculum. This makes finding out about new food relevant and fun. This innovative approach supports learnings and leads to happier and healthier children.

"The African themed lunch is just one example of our collaborative approach in action."

■ VOLUNTEERS at the launch of this year's Try This skills sharing event

## 'Try This' returns for third year

AFTER two successful years "Try This... Dorchester" is gearing up for an even bigger and better 2015.

The event runs from Saturday, October 3rd until Saturday 10th October – offering local people the chance to try a range of activities they might not otherwise have done.

Booking for the free sessions are open from noon on Friday, September 18th.

The volunteer-led project, supported by a variety of small funding grants, offers a broad range of activities and learning opportunities to local residents. This year there will be 44 different sessions at venues around town.

The new programme include sessions on: Chi Kung, Fun with Flowers, Getting Smart with Electricity, Have a Go at Wheel chair Dancing, Laugh-ter Workshop, Take Great Pictures with your iPhone and Yoga for Backs, among many others.

The full programme can be viewed on the web-site: [www.dorchestertrythis.org.uk](http://www.dorchestertrythis.org.uk).

All the sessions are free to attend – but will need to be booked in advance and are offered on a first-

come basis. Organisers ask those who find they are not able to attend a booked session to cancel their place to allow others a chance.

Printed programmes are available at many locations around the town including the tourist information centre, the library and the town and district council offices. For those without a computer, telephone bookings can be made from the 18th.

Since it started in the county town the event has been well supported.

"Try This... Dorchester" would like to thank their funders for 2015 which include Dorchester Town Council, West Dorset District Council, Union Learn and Magna Housing.

Union Learn's Keith Hatch said: "Union Learn are delighted to be supporting Try This once again. The idea of a skills share festival is brilliant and ties in perfectly with our aim to support learning both in the workplace, and the wider community. The organising team has once again pulled out all stops to put together a brilliant program of workshops and tasters - there really is something for everyone."

## Competition for Hardy fans

ENTRANTS to a Thomas Hardy essay competition have until the end of September to submit their papers.

The new annual essay competition is open to students of any academic level over the age of 18 and has been inaugurated in honour of the late Patrick Tolfree from Dorchester.

Mr Tolfree was an author of monographs, an avid Hardy fan and tireless promoter of Hardy's life and works within local schools.

The essay topic will be broad and will change each year, but must be related to Hardy and his works.

The theme for this year's

competition is "Hardy in the World". Essays of not more than 4,000 words in length are invited which may focus on how Hardy's works are received in different cultures and countries; how Hardy is taught in different cultures and countries; similarities/differences between how Dorset and Dorset characters are represented by Hardy compared to the literature of other geographical locations; the impact Hardy and his works have made upon a reader for whom English is a second language and the changing reception of Hardy and his works geographically over time.

Any aspect of Hardy's work may be focussed upon, whether it be novels, short stories, poems, essays or architectural work.

The closing date for submissions is September 30th, 2015.

The winner will receive a prize of £250 along with a year's free membership of the Thomas Hardy Society, and will have their essay published in the Hardy Society Journal.

Submissions and any enquiries should be made to Tracy Hayes – Thomas Hardy Society Student Representative by email at [malady22@ntlworld.com](mailto:malady22@ntlworld.com).

## Gala evening to celebrate community play anniversary

Entertaining Strangers author David Edgar will address the audience with short talks also planned

by John Oram and Rupert Creed.

The evening will also introduce Stephanie Dale, the next playwright and meet Peter Cann the new director.

Tim Laycock and friends will be providing music and there will also be a short excerpt from Entertaining Strangers.

Tickets in advance from Lyn Beesley 01305 880055 or email [lynbeesley@btinternet.com](mailto:lynbeesley@btinternet.com).

# Weymouth Matters

A personal View by HARRY WALTON

## It's enough to make your skin crawl

FOR SALE: Desirable two-bedroom mid-terrace home, double glazing, central heating, useful sized garden, would suit young family of 9,003!

Whoah! Wait a minute! That's not accommodation for a family but for a decent sized football match crowd.....but the truth is you'd better get used to the idea that almost every home in Weymouth and Portland has more than 9,000 different occupiers.

This is because slightly shuddery new scientific study data has revealed that a host of bacteria, bugs, microbes, moulds and similar live with every human occupier.

It is slightly more or less depending on whether the human occupier has a cat or dog living with them and I'm not too sure whether I want to explore the idea of what animals bring in with them in any depth.

Suffice to say, we are not alone. Your house may look immaculate, but scientists who vacuumed through more than

1,200 homes for the study found a staggering amount of different organisms happily tramping through the carpet pile or wandering over the worktop.

I don't know how you feel about that but for me it means I will never look at a cushion, rug or armchair in quite the same way again.

It is something which literally is with us all the time wherever we go in our house, invisible but active and vibrant with a life which is so microscopic that we stand no chance of ever seeing it.

But we don't need to get too paranoid. After all, these things aren't slamming doors, moving furniture or popping in to the kitchen to make themselves a midnight snack.

And there is one final fact to reassure everyone. Nearly all these organisms have no harmful effect on us at all.....but I'm still going to sleep with a steak hammer under my pillow from now on just in case.

## Jurassica preview breathtaking

SEVERAL thousand people recently had a taste of what hundreds of thousands could see every year if the £80million Jurassica attraction is built on Portland.

Part of that taste was the best virtual reality seen by anyone outside London and my first taste of it was quite simply breathtaking.

No sooner had I put on the equipment than I found myself transported beneath prehis-

toric seas guided by the voice of Sir David Attenborough.

Life of all descriptions from small everyday creatures to some massive and menacing predators of those ancient times wove their way around me and, as I looked from one side to the other and even behind me, the scene constantly changed in a miracle of technology.

Yes, there are clearly transport problems

to be ironed out. You can't suddenly introduce hundreds of thousands of new visitors on to our creaking transport system and still expect everything to stumble on as it is.

But if the experts get together with planners and come up with a viable way forward then this surely has to be an attraction which can mean nothing but good for the area as well as being an important jobs and economic boost for Weymouth and Portland.

## Snails are driving me mad!

IT just defies belief. It really does. And as a gardener it drives me to despair.

Snails are an ever-present in any garden and I've long since resigned myself to the fact that I can't grow certain things in my garden because they just get chomped into oblivion and I won't use poisons or pesticides.

Until now I had no worries about my hanging baskets which always make a nice summer display, but I've just got up and looked out of the sitting room window to see a snail mumbling its way along the side of the nearest basket.

How in the name of all that's sacred did it manage to get there?!

For a start, the bracket from which the basket is hung is a good ten or eleven feet off the ground – say three and a half metres in modern mollusc measurements. This thrice damned creature had somehow scaled that height, found a narrow half-inch wide bracket and crawled out along that and then down an 18-inch chain supporting the basket to reach its feeding ground.

It beggars belief.....but there will now be a one-minute silence in memory of the snail.

■ THIS week's Growing Old Disgracefully spot takes a look at mobility scooters and test drives Ferrari's new model scooter, the so-called Valium Stallion.

Capable of nought to 5mph in under ten minutes, the VS Mark IV offers several refinements over the Mark III including a new ejector seat in case you meet a school outing on a narrow pavement and want to abort.

The Mark IV also includes a new catheter clamp facility while the scooter's super strength sorbo rubber driver's seating is a great advance for

piles sufferers and those with 4XXX posterioris.

And the manufacturers have clearly pulled out all the stops with the installation of a new truck-strength horn, a little excessive perhaps but there is clearly driver pleasure to be gained here from a few blasts to terrify pedestrians and get them to leap out of the way and out of their clothes in fright at the same time.

Ferrari are now taking orders....but many drivers think they already have one the way some mobility scooters are driven round Weymouth.

anyone to visit in order to relax.

While the location is serene, there is still plenty to find in the town, from art galleries to flower shops, restaurants to beauty salons; all essentials are readily available. Unrivalled in its independent boutique feel, you will find a treasure trove of vitality from the buzz and bustle Beaminster has to offer. Beyond Beaminster's heart, the Square, you will find yourself wondering the little side streets and marveling at what you find there.

The town is able to cater for your every need and if you desire the hustle and bustle of a busy town, Bridport can be found only 6 miles down the road. A stones throw from there is the now famous West Bay beach, seen in the popular TV series Broadchurch.

### The Westcountry seems to be the place for property investors

BEAMINSTER and its surrounding areas are being sought out by those invested in property, with London at its core. London is the top location of people searching for property in the South West, according to the latest statistics revealed by Property Sharing Experts, the network of independent estate agents with more than 80 offices across the region.

The network holds regular Westcountry Property Exhibitions in the capital and in the periods around each exhibition, its web traffic analysis shows a staggering three times more visitors from London and the surrounding areas than in Exeter, which holds second place.

In order to directly reach these buyers, the organisation will be hosting its second Westcountry Property Exhibition of the year in the capital on 7th October. Local PSE experts will travel to London to discuss our beautiful region and properties will be showcased at the exhibition, which will be held once again at the prestigious and very busy high street offices of Lawsons & Daughters in Fulham.

Visitors to the exhibition will be looking for a diverse selection of property - as homes to move into and investments as well as holiday homes - so details of every property on the market with PSE agents will be taken to the event, which is being advertised in the Evening Standard and Metro as well as regional London publications, in all PSE and Lawsons & Daughters offices, on all property details and on social media sites including Facebook and Twitter.

Edition 16 of Distinctly Westcountry, the network's glossy magazine will be published to coincide with the event - copies will be taken to the exhibition and handed out to visitors. The magazine showcases the very best properties currently available for sale in the region - and not just country estates and manor houses - with PSE, distinctive also includes more modest, yet exquisite or unique homes in some of the finest rural, moorland, waterside and coastal locations.

The magazine is also available to pick up from PSE branches throughout the South West as well as Lawsons & Daughters in Fulham and the Distinctly Westcountry W1 office on Regent Street. For further information or to arrange a free market appraisal for your property without obligation, get in touch with your local PSE estate agent - to find yours, look for the logo in the newspaper or see the directory at [www.propertysharingexperts.com](http://www.propertysharingexperts.com).

## Pamela Rowlands

## Don't let stress affect your health

THE ongoing economic climate could have health repercussions – stress can severely affect health and well-being, making us more prone to illness, cautions Lyme Regis and Poundbury Homoeopath Pamela Rowlands RSHom

Stress prompts the body to increase production of the hormones adrenaline and cortisol, causing changes in blood pressure heart rate and metabolism – necessary in the short term, but over long periods this can lead to headaches, indigestion, diarrhoea, insomnia, general tiredness and even palpitations, anxiety and depression.

Homoeopathic treatment with a fully qualified and registered RSHom practitioner can help individuals cope better with the effects of stress – a carefully chosen homoeopathic medicine matched to the individual patient can help with the mental, emotional and physical symptoms of stress, by triggering the body's natural system of healing.

Pamela explained: "In homoeopathic medicine the approach is holistic, recognising that there is a connection between mind and body, with each prescription based on the individual patient's experience of their symptoms."

In 2005 a service evaluation of homoeopathic treatment at Bristol Homeopathic Hospital reported that 70.7 per cent of 6,544 follow-up patients experienced improvement in their health, in a variety of conditions including migraine, irritable bowel syndrome, depression and chronic fatigue syndrome.

Pamela added: "It is obviously better to seek treatment before symptoms become serious, recognising the early warning signs such as increased irritability, sleeplessness, and feelings of dread or guilt."

Minor, short lived symptoms could be treated at home with homoeopathic remedies, although chronic long-term illness and mental health symptoms should be seen by a professional homoeopath and your GP

Registered members of The Society of Homeopaths are fully insured and agree to practise in accordance with a strict Code of Ethics & Practice.

# Merrick sings Sinatra

ENTHRALLING singer Sam Merrick joins pianist Philip Clouts at the Bridport Arts Centre Jazz Café in an exploration of the vast catalogue of Frank Sinatra's lesser-known works over his expansive career, in what is his Centenary Year.

Sam Merrick, originally hailing from Dorset, is a singer of growing repute. He has appeared on BBC Radio 2 and toured the UK with the renowned Nick Ross Orchestra, and performed with his other projects on the UK Jazz Circuit at prestigious venues including London's Vortex Jazz Club. The Dorset Echo was struck by his "superbly seductive singing".

Philip Clouts is taking some time away from his Quartet project, which is about to launch a new CD with a tour of England and Scotland, to accompany Sam's vocals. Philip has been praised in Musician magazine for his "consummate musicianship" and the Observer said "Clouts makes the piano sound exactly right for each piece".

Frank Sinatra was one of the most popular

entertainers of the 20th century, forging a career as an award-winning singer and film actor. Born in New Jersey in 1915, Frank Sinatra rose to fame singing big band numbers. In the '40s and '50s, he had a dazzling array of hit songs and albums and went on to appear in dozens of films, winning an Oscar for From Here to Eternity. He left behind a massive catalog of work that includes iconic tunes like Fly Me To The Moon and I Get A Kick Out Of You.

Sinatra received a Grammy Lifetime Achievement Award and headlined the 1965 Newport Jazz Festival with Count Basie's Orchestra. The 1960s also marked his Las Vegas debut, where he continued on for years as a main attraction at Caesars Palace. As a founding member of the "Rat Pack," alongside Sammy Davis Jr. and Dean Martin, Sinatra came to epitomize the hard-drinking, womanizing, gambling swinger—an image constantly reinforced by the popular press and Sinatra's own albums. With his modern edge and timeless class, even the radical youth had

Sam Merrick

to pay Sinatra his due. His continued mass appeal can best be explained in the man's own words: "When I sing, I believe. I'm honest."

Sam Merrick performs 'The September of his Years', a tribute to Frank Sinatra, on Friday, September 25th at 8pm at Bridport Arts Centre. Tickets are £10 (£5 students/children) from the box office (01308 424204) or [www.bridport-arts.com](http://www.bridport-arts.com)

## 'John Craxton's Crete' an evening talk by Ian Collins

IAN COLLINS, Curator of Dorset County Museum's John Craxton Exhibition and Biographer of the artist, is giving a talk at Dorset County Museum, on Friday, September 18th, which will focus on the period of the artist's career when he was residing and painting in Crete.

John Craxton (1922-2009) was one of the most interesting and individual British artists of the 20th century. After years of travelling around the Mediterranean after World War 11, Craxton settled in Crete in 1960. His life story, starting with wanderings on Cranborne Chase, was as colourful as his later pictures of the light, life and landscapes of Greece.

The exhibition at Dorset County Museum in Dorchester

charts Craxton's journey from Cranborne to Crete, from early paintings of dark and menaced war-time landscapes to joyful scenes painted under bright Cretan skies. The exhibition runs until Saturday, September 19th.

All are welcome to the talk on Friday which starts at 7.30pm. Doors open at 7.00pm. The talk is free of charge, but a donation of £3 is encouraged to cover costs.

For further information please contact the Museum on 01305 756827, or check the events section of the website at [www.dorsetcountymuseum.org](http://www.dorsetcountymuseum.org).

## The Square & Compass Wedding Barn

### A very relaxed, elegant wedding with very, very good food

THERE has been an inn at Windmill Hill for around 200 years and it is part of the fabric of the area. The Square and Compass is now a well-known hotel, renowned for excellent food. Owners, Chris and Janet Slow have been resident for 17+ years and in this time they have built up a reputation for very good food and drink. Run in a relaxed, informal manner, you can enjoy a drink, some food, or celebrate a special occasion in the Barn, a separate venue behind the Square and Com- pass.

The Barn Set in its own spacious gardens, the Barn is completely separated from the Inn and Stables Hotel rooms and is a very popular venue for weddings. Full of rustic charm with heavy wooden tables, chairs and careful lighting, it is decorated with a rural theme and can hold up to 250 people. The informal atmosphere that gives the Square and Compass its special charm ex- tends to the Barn, allowing you to relax during your special occasion knowing that every detail has been planned exactly to your needs beforehand so the whole day runs seamlessly. We are absolutely committed to making

your day as perfect as we possibly can. The Barn's rustic appearance belies modern facilities. There is a dance area and stage with a powerful sound system and lighting set up. There is also a fully licensed bar, modern toilets and disabled access in all areas. The Barn has a civil license for weddings, with the large gardens surrounded by fields making a truly beautiful setting. We built the Barn using old-fashioned materials, specifically for weddings. We think it is the perfect venue for your special day.- The Barn is a little more than 5 minutes from Junction 25 of the M5 at Taunton and likewise from the A303 at Ilminster. Although set in pleasant rural surroundings, it is easily accessible with full facilities available for business meetings, exhibitions and corporate events. The speciality of our weddings is that the whole day revolves around an exceptionally good quality, generous meal in the afternoon, prepared and cooked by a team of highly professional chefs led by Janet, one of the owners. 'We find that if the food is really good everything else slots into place' says Chris.

## The big 'to-do-list!'

Staring at a massive 'to-do-list' before your big day can be incredibly overwhelming. Especially when all you want is to create the perfect day for the beginning of the rest of your life, with your loved one to be! So we have broken down the top 10 key elements, to put your mind at ease. So put your feet up, and dream BIG!

### 1. Budget

Budget equals scary for a lot of people. But all you need to do is think realistically and set a price you and your partner can both agree on.

After this, it's all about prioritizing the things that are most important to you; the spectacular stately home, the stunning vintage wedding dress or the most delicious petits-fors! Knowing what is most important to you will really shape your day into what you both want.

Keep your eye out for hidden charges, such as corkage fees – as this can set you back a small fortune.

### 2. Location, location, location!

Location is key! Having a personal interest in a venue can really make your day. If you are religious, spiritual or humanist, there is almost certainly a venue out there to suit.

Be mindful that in the UK you can only legally marry in registered locations – but this doesn't have to go against your perfect spot! Blessings can take place on beautiful beaches, majestic woodland and trendy city spots. The world is your oyster!

### 3. The after party

After the ceremony, you will of course want to celebrate! Of course many ceremony venues are open to you for your whole big day, and offer many packages to suit your budget.

Why not think outside of the box by looking for quaint villages or town halls, industrial warehouses, barns, museums or a meadow for a tipi.

### 4. Capturing your day

Capturing the memories of your big day is definitely worth considering. When I got married, everything went by so quickly! Being able to hold the memories in my hands and share them with my partner is so precious as we can relive it through the images.

Check out wedding blogs, magazines and word-of-mouth recommendations for brilliant

photographers and filmmakers who can suggest ideas to make your planning that little bit more fun.

### 5. Keep your guests entertained!

To fill your day with a buzz and to allow your guests to have a complete blast, why not consider hiring some outdoor fun! Everything from croquet, board games, and photo booths – these are all things to think about when going through your checklist.

### 6. Entertainment

Personalise your entertainment based on your own interests. If you love music then compile your own playlist. Or if you are a keen baker why not host a bake off contest?

### 7. The after, after party!

Don't forget about getting away as newlyweds after tying the knot! Planning your big day may feel like the most important thing, but finally being married and together holds so much value.

Anything goes when it comes to your first holiday as newlyweds, from glamping on the coast, to treading the souqs of Marrakesh – the world is open to you!

### 8. Food

Wedding breakfasts aren't what they were 50 years ago! Everything from hog roasts, to hiring a vintage fish and chip van, to a sit-down afternoon tea are all possible.

If you love ice-cream, popcorn or sweets – don't limit yourself to tradition! There are so many things to suit all budgets, and so much available.

### 9. Your grand entrance

Everything from tractors, to campervans and horse-drawn carriages are available for your big day. Go with what you would feel comfortable sitting in, and think of the great photo opportunities!

### 10. Do-it-Yourself!

If you want to make your day truly personal, there is so much you can do yourself. Not only will this open up your budget, but also you can truly inject your personality into your day.

Everything from making your own invitations, growing your own flowers, to showcasing your baking skills – you can truly shine on your day.

# Town Band's recruitment drive

DID YOU learn to play a brass instrument many years ago but gave it up as other things got in the way? Have you always wished that you had learned to play a brass instrument when you were younger and now regret that you let the opportunity pass you by? Perhaps Lyme Regis Town Band might be able to help you, as the band is currently embarking on a recruitment drive and is keen to

encourage new members to join its ranks.

Players of all ages and abilities are most welcome, with tuition available for learners and support and encouragement for "rusty" players. The band is keen to stress that learners do not need to be youngsters. It's possible to learn to play at any age and there is are several band members who did not pick up a brass instrument until later in life but

are now playing on a regular basis, having learned from scratch. Other players have returned after a break of many years and are now greatly enjoying being part of a brass band again.

So if you're interested in learning more about the band, come along to an informal Open Evening which is being held at the Woodmead Halls on Tuesday, September 22nd at 7.30pm. A range of instruments will be available to try out and you'll be able to chat to band members and sit in on a band practice.

For further details or for any queries, please contact Band Secretary, Gilly Warr on 01297 442719, or send an email to [gkwarr46@gmail.com](mailto:gkwarr46@gmail.com). The band's website is at [www.lymeregistownband.co.uk](http://www.lymeregistownband.co.uk).

## SUCCESS FOR SYMONDS & SAMPSON

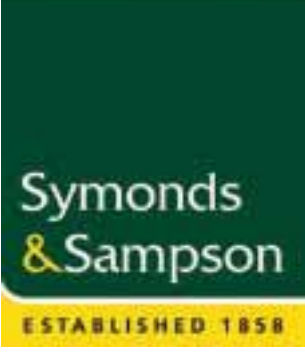

JEREMY Smith, Senior Manager of Symonds & Sampson's award winning estate agency office in Beaminster is seen here with a delighted Mr. and Mrs. Dent collecting the keys for their new property which they recently purchased through the office. Mr. and Mrs. Dent who also sold their existing property in Crewkerne through Symonds & Sampson commented 'we were very impressed with the service received, not only on our property sale, but also the onward purchase, which was one of a chain of four all being sold by Symonds & Sampson in Beaminster which proved particularly challenging. With regard to our own home we had been on the market with a Crewkerne based estate agent with limited success, however once we had spoken to Jeremy,

we were in little doubt he was the estate agent for us and his Beaminster office certainly combined corporate drive with independent service, which he stresses is his goal. We agreed a sale on our property in less than a week!

We would also like to add a special word for Caroline Childs who handled our sale transaction and purchase very smoothly indeed and I would not hesitate to recommend Symonds & Sampson in Beaminster to all our friends.

Jeremy Smith commented 'it is lovely to hear such kind words from Mr. and Mrs. Dent who were a pleasure to work alongside.' We do aim to provide a world class estate agency service which includes high quality laminate sale details, regular advertising and all of our

client's properties are available on Rightmove, Zoopla and Primelocation. It may come as a surprise to the readers of the View From that many estate agents locally are not on Zoopla and therefore in my opinion are missing out on many London buyers.

If you are considering selling or are on the market without success, why not contact our office on 01308 863100 to book your free market appraisal.

## The all-electric Audi e-tron quattro concept

▲ The Audi e-tron quattro concept

FLOW-ENHANCED design with a drag coefficient of 0.25; powerful, all-electric e-tron quattro drive with up to 370 kW – Audi is presenting the Audi e-tron quattro concept at the International Motor Show (IAA) 2015 in Frankfurt. The car is the company's statement about the future of electric mobility: It is responsive, efficient and suitable for everyday use.

"Audi will present an all-electric, luxury-class sport SUV in early 2018. The Audi e-tron quattro concept provides a concrete foretaste of this," says Prof. Dr. Ulrich Hackenberg, Member of the Audi Board of Management for Technical Development. "It combines driving pleasure with great range, an expressive design and excellent comfort."

### Electric power

The Audi e-tron quattro concept uses the power of three electric motors: One electric motor drives the front axle, the two others act on the rear. Total output is 320 kW. The driver can even mobilise 370 kW and over 800 Nm (590.0 lb-ft) of torque temporarily while boosting. The concept study thus performs like a sports car. When the driver floors the throttle pedal, the Audi e-tron quattro concept sprints from a standstill to 62mph in 4.6 seconds and quickly reaches the electronically governed top speed of 130mph.

The concept with three electric motors which Audi is presenting for the first time makes the technology study an e-tron quattro. An intelligent drive management system

controls the interplay between them as appropriate for the situation. The focus here is on the greatest possible efficiency. The driver decides on the degree of recuperation, the driving program S or D and the mode of Audi drive select.

During sporty driving on a winding road, the Torque Control Manager actively distributes the power between the rear wheels as necessary. This torque vectoring provides for maximum dynamics and stability.

The large lithium-ion battery is integrated into the floor of the passenger compartment. It gives the Audi e-tron quattro concept a balanced axle load distribution and a low centre of gravity – prerequisites for its dynamic handling. The battery's capacity of 95 kWh enables a range of more than 310 miles (500 kilometres). The Combined Charging System (CCS) enables charging with DC or AC electrical current. A full charge with DC electrical current at a charging point with an output of 150 kW takes just around 50 minutes. As an alternative, the study is equipped with Audi Wireless Charging technology for contactless induction charging. The charging process is very convenient. The Audi e-tron quattro concept uses a system for piloted parking that guides it to the proper position at the charging plate. In addition, a large solar roof provides electricity for the drive system battery on sunny days.

The chassis also expresses the high-tech character of the concept study. The adaptive air suspension sport, which features controlled damping, lowers the body at higher

speeds to reduce drag. The dynamic all-wheel steering combines a dynamic steering system on the front axle with a steering system for the rear wheels. Depending on speed and the driving situation, they steer either in the same direction as the front wheels or in the opposite plane. The Audi e-tron quattro concept thus reacts even more spontaneously and stably, and is also very manoeuvrable at low speeds.

### Aerodynamic: The exterior design

The Audi e-tron quattro concept harmoniously combines its remarkably aerodynamic design with the all-electric drive system. The five-door technology study is 4.88 metres long, 1.93 metres wide and just 1.54 metres high. Its coupé-like silhouette with the extremely flat greenhouse that tapers strongly

toward the rear lends it a very dynamic appearance. The car's drag coefficient measures just 0.25 – a new best for the SUV segment, where figures are usually considerably over 0.30.

All of this contributes considerably to the long range of more than 310 miles (500 kilometres). At speeds of 50mph and above, electrically actuated aerodynamic elements on the bonnet, the flanks and at the rear end direct the flow of air as needed to improve the flow through and around the vehicle. This is one example of the intensive development work in the wind tunnel. Wind noise is low on board the car, and there is of course an absence of engine noise. The fascination of electric driving unfolds in near total silence.

# The All-new Jaguar F-PACE

The all-new Jaguar F-PACE is a performance crossover designed and engineered to offer the agility, responsiveness and refinement that all Jaguars are renowned for, together with unrivalled dynamics and everyday versatility. The F-PACE is available to order now at Jaguar UK retailers, priced from £34,170.

Developed using Jaguar's Lightweight Aluminium Architecture, the all-new F-PACE combines purity of line, surface and proportion with F-TYPE-inspired features such as the powerful rear haunches, fender vents and distinctive tail light graphics.

The bold front grille and the muscular bonnet hint at the performance potential of engines like the 380PS 3.0-litre supercharged V6. Elements such as slender full-LED headlights, forged 22-inch forged alloy wheels and short front overhang carry the design vision of the C-X17 concept through to production.

The all-new F-PACE seats five occupants in absolute comfort. The interior is a perfect blend of premium materials and finishes, exquisite detailing, luxuries such as heated, electrically-reclining rear seats, and cutting-edge technologies including the InControl Touch Pro infotainment system and 12.3-inch HD virtual instrument cluster.

Lightweight Aluminium Architecture gave the design and engineering teams the ideal starting point. It was created from the outset as a modular structure, so the wheels can be positioned exactly where they are needed to deliver the proportions, dynamics, and practicality essential for a performance crossover.

The wheelbase and track dimensions of F-PACE are not shared with any other Jaguar. At

4,731mm long and with a 2,874mm wheelbase, the all-new F-PACE offers the sleek profile and short front overhang characteristic of Jaguar design together with an exceptionally spacious interior.

Rear knee-room is class-leading and the luggage compartment volume is an astonishing 650-litres.

The light, stiff body structure comprises 80 per cent aluminium, and is the only aluminium-intensive monocoque in the segment. Additional weight savings come from the composite tailgate and magnesium for parts such as the cross-car beam.

The result is that the rear-wheel drive 180PS 2.0-litre diesel manual transmission model

weighs as little as 1,665kg and achieves CO2 emissions of just 129g/km. With the 380PS 3.0-litre supercharged V6 petrol engine from the F-TYPE under its sculpted aluminium bonnet, the all-new F-PACE can accelerate from 0-62mph in just 5.5 seconds before reaching an electronically-limited top speed of 155mph.

The body's high torsional stiffness enables the F-TYPE-derived double wishbone front suspension and sophisticated Integral Link rear suspension to perform even better. Together with Torque Vectoring as standard and an Electric Power Assisted Steering system tuned to give the best possible feel and response, the all-new F-PACE sets the benchmark for ride and handling.

# Raising the bar for style and performance in the pick-up market

THE all-new Nissan NP300 Navara sets a new benchmark in the one-tonne pick-up sector, combining the best of Nissan's Crossover leadership with over 80 years of experience in designing and manufacturing robust and cleverly engineered pick-ups.

Improving comfort and refinement while maintaining the NP300 Navara's acclaimed off-road ability, durability and loading capacity, was a cornerstone of the new vehicle's development. The new model is a fully updated version of the previous generation, with a robust and tough chassis which introduces a host of new engineering features designed to further improve drivability and practicality. And using the same Crossover DNA that produced landmark passenger cars such as the class-leading Qashqai, X-Trail and Juke, the new NP300 Navara brings a new level of car-like refinement, style, comfort and quality, as well as first in class technologies to the pick-up market.

The introduction of a market-first five year or 100,000 mile manufacturer warranty with the new NP300 Navara is further testament to the vehicle's credentials, and provides additional peace of mind for customers.

## Ride and Handling

Improving refinement and delivering a Crossover-style driving experience was a key element of the NP300 Navara's development. To help achieve this without compromising the vehicle's acclaimed off-road ability, Nissan designed an all-new five-link rear suspension system for the Double Cab model, providing significantly improved ride comfort and handling, and is 20kg lighter than the previous leaf spring layout.

The King Cab features a substantially updated version of the leaf spring design fitted to the previous generation model. Not only does the new over slung leaf weigh 7kgs less than the previous under slung design, it also gives the King Cab a 3.1 per cent improvement in rear wheel approach angle and delivers a reduction in road noise.

## Technology

In-line with Nissan innovation, the new NP300

Navara introduces an array of new in-car technology. In a sector that has traditionally been slow to adopt the very latest in comfort and safety features, it sets a new benchmark for affordable in-car technology. Around View Monitor and Forward Emergency Braking (FEB) – both highly acclaimed Crossover safety features – are unique to the pick-up market and provide customers with more advanced levels of technology than ever seen in a pick-up. Further safety and convenience features include Cruise Control, Hill Descent Control (HDC) and Hill Start Assist (HSA), all of which have been developed to meet the specific demands of NP300 Navara owners, as well as keyless entry, rear camera and parking sensors.

## Magpies extend Ayunga's contract

DORCHESTER Town have extended Bridport youngster Jonah Ayaunga's to the end of next season.

The teenager who was playing for Bridport Under 17's last season joined the Magpies in the summer, and has produced some excellent performances, which has prompted manager Mark Jermy to offer him an extension to his contract which he signed at the end of last week.

The county town boss said: "Jonah has signed an extension through to the end of next season.

"I think we'd be silly not to reward somebody who has done so well and shown so much potential. We really wanted to show our appreciation to Jonah."

## Golf - Charminster GC

# Bragging rights for Captain Short after annual clash

FIVE competitions were held at Charminster Golf Club during August.

These began with the **Sunday Medal** in which Andy Draper took first place with 82/19/63 and later received a one-shot handicap reduction. Countback separated second placed Paul Harris with 84/16/68 and Barry Rutherford with 88/20/68. The latter was the Division Two medal winner.

The Division One Wednesday Medal was won by Tony Lee. His 84/19/65 was ahead on countback of Andy Draper with 83/18/65. Bev Brewer took third place with 84/18/66. Andy Draper's handicap was reduced again to 17 in a very successful month for him.

The Division Two winner was Bob Irwin who scored 89/25/64 and was later given a one shot handicap reduction. Mike Campbell was second with 90/25/65 and Adrian Short third with 87/21/66, which was the Division's joint lowest gross round with Phil Farmer.

The **Sunday Stableford** winner was Roger Ingram with 42 points from a 19 handicap, subsequently cut to

18. Rob Rolls took second place with 39/5. Again in the frame was Andy Draper with third place with 38/17 ahead of Brian Drammis on countback who scored 38/12.

The **Wednesday Stableford** competition was also for the Bob Clark Memorial Trophy. The Division One winner was Rob Rolls with 39/5 which included a hole in one on the par 3, 16th. Jules Walker was second with 38/11 and Roger Ingram third, scoring 37/18.

The Division Two competition saw John Maddocks accumulate 42 points from his 22 handicap and was therefore the trophy winner. His handicap was later cut to 21. Bob Irwin took second place with 37/24 and Hugh McCowan third with 36/28.

During the second half of August, rain became a factor. This caused the postponement of the **Seniors Captain's Day**. It took place five days later, in less serious rain.

The main competition was a Stableford and the winner was Keith Ward with 38/25. The first four all scored 38 points and countback gave second place to Nigel Brins-

ley 38/16, third to Peter Churchill 38/13 and fourth to Phil Farmer 38/21.

Seniors Captain Graham Swingewood, thanked those members who had sponsored the event. The event raised £100 for Age Concern, Dorchester.

The annual **President vs Captain** Challenge match saw The team of Club Captain Adrian Short, defeat the team of Club President Nigel Brinsley by 3½-2½.

The Three Counties team had two home matches. CANNINGTON were beaten 3-2 win but in the final league match the team lost to FOLKE 1½-3 ½ resulting in promotion for Folke with Charminster in third place.

The Seniors had four matches. Away to CAME DOWN, the match was lost 5½-½. At PARLEY COURT the loss was 4½-1½ and the match at Wheathill brought a 4-2 defeat.

At home to FROME, the match was abandoned due heavy rain. This was particularly disappointing as the course at Frome is set to close at the end of September and this was to be the last match between the two clubs.

*Preliminary round*

IN a typical cup-tie, where chances for both sides were at a premium, it was the visitors who managed to progress with a goal two minutes from the end of extra time.

Both teams worked hard throughout the game and Holt will be wondering 'what if' after Paul Lane managed hit the bar from three yards out in the 88th minute.

He and Holt were made to pay as, with the game heading for penalties, Ashley Ayley converted in the 118th minute to secure the Terras passage into the 1st round.

BALTI continued their impressive start to the season with another convincing win against a South Cheriton side who appear to have gone off the boil in the last few weeks.

Once again the hosts played with a high tempo throughout and were dominant from the off.

Ricky LANE opened the scoring in the 10th minute following good work from Ethan Devaney.

The lead was doubled in the 25th minute, this time through Ash BATCHELOR'S 25-yard strike.

Into the second-half and Balti stretched their lead further following a set piece corner that saw DEVANEY tap in at the far post on 53 minutes.

LANE'S rounded off the scoring midway through the half.

## Bees news

# Gale shines in five-star showing

Westland Sports 1 Bridport Reserves 3  
Dorset Premier Division

MANAGER Shaun Annetts praised his team for a first class performance against a notoriously difficult Westland Sports.

Annetts looked as if he might miss the game to take charge of the first team, but Mark Carter became available, and his players showed their appreciation by continuing the good form they have shown in recent weeks.

He said: "The signs have been there since the Balti Sports game and they have continued to improve. They have trained well and there is a great spirit among them."

The return of Tristan Gale from first team duties has also been a important feature, and with goal scoring being the one down side, Annetts played him up front instead of his usual role on the left wing and it paid dividends with two goals.

Bridport started very well, another reason for their improvement, and with the defence looking very solid, they had lots of possession and created two or three half chances in the first half hour, so it was no surprise when they took the lead.

Chris Herbst, who along with Tom Blair worked hard down the flanks, combined with Gale to set up Harry Fleet on the edge of the box. Captain for the day, he put his laces through the ball to rifle a superb shot into the top right corner of the Westland net.

They increased the lead early in the second half when Sam Day provided an exquisite curling cross just behind the Sports defence which was met by Gale sliding in at the far post.

With Bridport looking comfortable, the hosts pulled a goal back midway through the half through a penalty, which Annetts deemed a touch hard. Bees young keeper Josh Hadley was adjudged to have been too robust in his one-on-one challenge with Louis Irwin, and Leo Hayward gave him no chance from the spot.

In the past this setback has sometimes led to Bridport losing their confidence, but not this time. They continued to play the good football and were rewarded with a thirds when Gale, under pressure from his marker, surprised the keeper by hitting his shot early and the ball squirmed under him into the net to seal an excellent victory.

Annetts concluded: "Tristan as always gives everything. His link-up work play along with his speed made him the star player, although this was a first class performance all round."

The Bees Reserves host Holt United this Saturday at St Mary's (ko3pm) but will be without the suspended Day and Herbst.

## Sailors return

DAN and Jenny Jaffe were recently welcomed back into Lyme Harbour by Lyme Regis Sailing Club members and friends after a successful 3½ month clockwise sail around UK in their yacht 'Goodwill' which is berthed in Lyme harbour.

Passing Land's End, the passage took them north to Pembrokeshire, across to the Republic of Ireland, on up to Northern Ireland, then back across to the islands of Scotland's west coast.

Passing through the Caledonian canal, the 29 foot boat reached Inverness and continued down the east coast, back to England, through the Farne Islands to Norfolk and Suffolk.

Crossing the Thames Estuary to round Ramsgate, before they entered the warmer climes of the south coast, stopping in Brighton and Lymington before reaching the home waters of Dorset.

Dan and Jenny, both very experienced sailors, were joined by various Club members and friends for different legs of the trip.

## West Bay Sea Angling Club

# House's huge haul lands the prize

◆ TOP HAUL:  
Paul House

PAUL House caught an impressive 24 different species of fish to win the John & Frances Hunt Species Trophy during this year's Species & Specimen Festival organised by West Bay Sea Angling Club.

This was no mean feat as each fish had its own length, and anything under 15cm wasn't counted in the week-long event that saw anglers fishing along the Jurassic Coast.

PJ Wheeler took second place with 22, the same as Ollie Mears who was third.

The David Cornick Specimen Trophy was won by Ian Draper who caught a Golden Grey Mullet, which was 104.11 per cent of specimen weight.

The Junior Class was won by Ewan Chambers who beat his brother Aaron by two fish, whilst Ian Draper and Paul House won the Pairs Pool.

The Golden Fish, which was a Ballan Wrasse, was jointly won by Craig Horton and Frances Kitchin. The latter caught hers off the East Pier which on landing snapped her rod.

All the fish that were caught were measured, witnessed, and returned immediately to the sea alive.

## Bridport Gig Rowing Club

# Ladies round off fine season at Newquay

BRIDPORT gig rowing club's Ladies crews competed in the Newquay County Gig Rowing championships over the 5th and 6th of September.

This two-day event is regarded as the second most important event of the season, behind the world championships.

Rounds one and two are held on the Saturday, with the semi finals and finals on the Sunday.

Crews are drawn boats from a hat as there is only room for a few gigs in the harbour.

Races are timed with fastest boats going through to the next round. However this year saw a different turn of events.

Racing began with strong northerly winds creating a big swell making for difficult racing.

By heat 11 it was decided that there would be no more racing that day due to the deteriorating sea conditions.

Bridport Ladies' B crew were due to race in heat 12 with the A crew in heat 13 which meant their races were to be carried over into the next day.

This came as a disappointment to the crews as they had been warming up when the decision was made.

Racing began early the next morning with the B crew rowing a good race against some strong crews from Cornwall, Devon and Dorset, but unfortunately they did not secure a fast enough time to go through to round two.

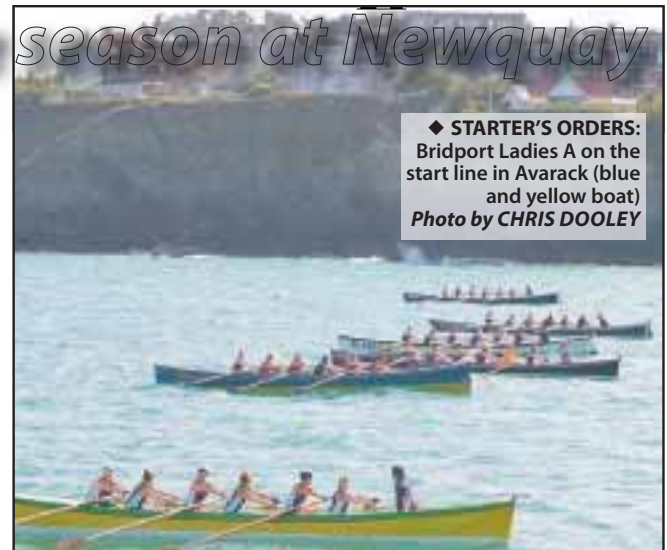

The A crew set off at a fast pace and remained strong round the two buoys earning themselves second place and a spot in round two.

Their next race was even tougher and they finished in 39th position, with the B crew in 55th - not enough to reach the semi finals.

This saw the end of a successful season for the Bridport ladies who would like to thank their coxes - Jason Matthews and Kevin Batchelor.

For the ladies, preparation for the upcoming season now begins with winter training, both on and off the water.

## Wales or bust for local rally duo

HAVING retired from this year's BRDTA Championships following their failure to complete the third of the nine stages in this year's event, local rallying duo Rex Ireland and Adrian Scadding have decided to finish the year in style by entering the Wales Rally GB in November.

The pair have had good success in the BRDTA Rally over the years, but having had to retire in two of the first three stages and missing the other because the car was not ready, they decided their chances of being competitive would be limited especially as they don't compete in all nine.

This is the first time the pair have contested this annual national rally which began in 1953 and has been won by great rallying heroes such as Hannu Mikkola (four times), Timo Makinen and British drivers Roger Clark and Colin McRae (three times each).

The event is run over three days November 12th-15th and includes 19 competitive stages including the return of the Myherin and iconic Great Orme stages, and covers almost 102 miles of Welsh forest racing on loose gravel in North Wales, the only tarmac being the Great Orme in Llandunno.

◆ LAST CHANCE: The Welsh Rally will be the last chance this year for Ireland and Scadding (seen here competing in last year's Cambrian Rally) to win some silverware after a season of mechanical failure

Roger Albert Clark Rally in 2010 and have done Monte Carlo three times, so we thought it would be a good experience."

They will be competing in the Historic Cup in their 1977 Ford Escort.

## Rugby

# Winning start

Bridport 17 Wheatsheaf Cabin Crew 15

BRIDPORT Rugby Club Opened their account in their first Dorset & Wilts 2 (South) league game of the season with a good win against a physical Wheatsheaf side.

The visitors bossed the early exchanges and Bridport lost Mike Pibworth and captain Tom Gamwell to injury within the first 20 minutes.

A soft penalty gifted the visitors three points, and an unconverted try added five more, but Bridport were beginning to exert some control.

Bridport's forwards, industrious throughout the game, earned a scrum on WCC's 22. Good set play from the backs led to Nathan Herbert breaking the line and a good offload sent Man-of-the-Match Daragh McLoughlin over for a try which Ricky Stubbs converted.

Replacement Bobby Lester-Card slotted a long-range penalty to take the hosts 10-8 ahead at half-time.

Bridport dominated for much of the second half but missed a handful of good scoring opportunities with the last pass going astray.

Finally it all came together with another Herbert offload sending Rich Middleton on his way to a try under the posts. Lester-Card added the conversion.

A charged down kick and some shaky defence led to a converted try for WCC and a tense five minutes ensued as Bridport held on for the win they deserved. 17-15 the final score.

Bridport head to Bournemouth on Saturday full of confidence after a solid all-round performance.

## Bridport & W.Dorset Indoor bowls

### Three way battle

FIRS, Cedars and Dogwoods are locked together at the top of the Morning League with two matches to go.

Sheila Burt and Lyn & Mike Craddock's Cedars trounced Dogwood's 20-4 to move back into a three way tie; their captain Mike Fletcher left kicking himself for playing his star player Sylvia Fletcher out of position, which meant they never got the great start she has provided all season.

Pat Anderson and Rose & Chris Everest's Firs are the new leaders over the Cedars after a 13-8 win against the Alders.

Tony Sharood, Ann Parkins & Barbara Jenkins' King-Hazels ended the Kingwoods hopes of honours, beating them 10-7, whilst Gordon Lee, Peter Varney & Martin Wilton's Larches who led Gumtrees 11-2, just edged it at the end 13-12.

Mary Hansford, Peter Hunt & Mike Parsons's Fox Hounds stay ahead of the Evening League thanks to a runaway 27-7 win over Airdales. Jack Russell's have the same number of points but have played a game more.

Julian Swinburne, Barry Mapson & Martin Wilton's Dalmations kept the pressure on the top two with victory over the Collies 17-7.

Viv Gill, Keith Pereaux & Keith Jenkins' Harriers finished 3.1,6 to earn a 16-11 win over the Kerry Blues. Meanwhile David Jenkin, Geoff Hansen & John Davies' Great Danes thumped the Labradors 18-4, and Liz Walker, Brian Legg & Ivor Parker's Beagles finished 2,1 to draw with Val Dodd, Jenny Harding & Phil Hedges' Elk Hounds 15-15.

### Hand it to Glover

By Richard Jackman

IN the September medal, Division One, Tom Glover shot a brilliant -2 gross 69, including a dazzling back nine with four birdies and an eagle, for the best score of the day to win by one shot from Gareth Williams, nett 69, who just pipped David Riches on countback. Division Two was won by Mark Lewis with a nett 69, with Neil Smith in 2nd place one shot behind and Merv Knight 3rd with a nett 71.

Richard Jackman won the seniors' Gordon Putter competition with a nett 65, but the headlines went to Roger Clarke who came second with 67 which included a hole-in-one on the 3rd. Jim Kerr edged out the rest to come 3rd on countback with a nett 70.

In the midweek stableford a romping front nine saw Colin Baker take the honours with 36 points from George Seed, 35 points who pushed Kevin Payne to third on countback.

The junior medal saw the first three all score a nett one over par 72, but on countback the order was Ben Prosser, David Lyon and Jonathan Day.

# Successful finals weekend at Lyme Regis Bowls club

WHAT a busy week! three friendlies and the Club Finals on Saturday and Sunday writes Paul Moffitt.

First up on Finals weekend was the Ladies 4 Wood Championship between Ann Allman and Angela Rattenbury. Angela took a while to get going whilst Ann opened up an 11-3 lead. Angela fought back to 12-14 but, experienced campaigner Ann took control to win 14-22.

Next up was the Ladies Invitation contested between Jan Parsons and her partner Dave Wood and Pam Weech and her partner Trevor Allman. This game started out as a very one-sided affair, Trevor & Pam opened up a lead of 22-1 which was to prove too much for Dave and Jan who succumbed to a 28-11 defeat.

The afternoon brought the three set singles between Charlie Barber and Barry Rattenbury. Despite the name of this competition, the final is played over five sets. The first went to Barry 8-3 then the second to Charlie 7-5. They took a set apiece over the next two to set up the deciding 5th. It took eight ends to find a winner with Charlie edging it at 7-5 to secure the title.

The Ladies Drawn Pairs was between Nola Stephens & Jasmine Bishop and Angela Rattenbury & Judith Moffitt. Jasmine and Judith had a good tussle up front with little to separate them but, at the back end Nola's skipping credentials were too strong for Angela and the game was wrapped up at 22-7.

The married couples final was between Ann & Trevor Allman and Sue & Dave Wood. Sue more than held her own against Ann but Trevor, who had switched to the back end for this encounter, appeared too hot to handle for Dave. Despite tying at 8-8 after eight ends, the Woods slowly lost ground and were finally beaten by 23-14.

Into Sunday's programme and the morning was set alight by the encounter between Barry Rattenbury and Steve Pomeroy contesting the Men's 4 Wood Handicap. Barry was giving away one shot to Steve, that'll change next year, and so the game commenced.

I have been watching and commentating on these finals for many years now and this has to be the standout game with the duo putting eight woods into the space of a tea tray. But it was Steve who holed out with a two to clinch the title 21-19.

The Ladies Handicap match between Nola Stephens

and Diana Courtenay-Smith was another absorbing encounter. Nola had no answer to Diana's impeccable drawing and flamboyant weighted shots early on and

◆ GREAT MATCH: Barry Rattenbury (left) and Steve Pomeroy played out an enthralling Men's 4-Wood Final with Pomeroy scraping home 21-19

soon found herself trailing 16-5. However, Nola suddenly became energised and Diana appeared to flag and the balance of the game changed with Nola managing to come home 23-19.

In the Open 2 Wood Pairs Charlie Barber & Tony

Payne took on Pam Weech & Geoff Clode. Charlie's back-end game was immaculate and the pair eased over the line at 18-9.

In the 'Rocky' it looked as if Eric Skeemer opened up a commanding 13-5 lead over Philip Stephens. But Philip dug deep with two and four shots in consecutive ends to win 21-16.

Paul Pomeroy, who was delayed because he was competing in short mat finals in Exeter, had to sacrifice his 2 Wood match against Geoff Clode in order to play in the Men's Championship against Charlie Barber.

Charlie edged 7-3 in front after five ends. Paul managed to nose ahead ahead at 10-7 after nine ends and never lost the lead thereafter winning 21-14.

The Fillies title went to Pam Weech who overpowered Nola Stephens 21-3.

In the Men's Drawn Pairs there was a big shock with the much-fancied Don Meylan & Mick Heneghan beaten 27-15 by relative newcomer Roger Bishop 7 Philip Stephens.

THERE was a good turnout for the recent Ladies' and men's Captains' Charity Day, with this year's chosen charity The Dorset & Somerset Air Ambulance benefitting to the tune of £1,080 raised with the help of raffles, coffee mornings, a hog roast and numerous other events organised by the captains and members.

## Lyme Regis Gig Racing

# Fine podium finishes for Dorset Clubs

THE recent Bank Holiday weekend's inclement weather didn't stop the next round of the gig racing calendar taking place.

Hosted by the Sidmouth Gig Club, a fairly new club, it was a very well organised event and credit must go to those who made it happen.

The first two races featured the Ladies A and Ladies B teams both of which took place in the pouring rain.

This however did not dampen their spirits and some great racing ensued. Both Lyme crews scored a creditable 5th position in their respective categories.

Following these races, the sun came out providing more pleasant racing conditions for the remainder of the afternoon.

The Men's A race followed in which Lyme's B crew posted an excellent 3rd position, holding off a challenge by the Weymouth A crew who were only 18

seconds behind them on the finish line.

Lyme entered a second B crew in a borrowed boat and finished 6th ahead of the host crew.

Following this was the Men's B race in which Lyme entered their C team. Again, a credible performance saw them finish 5th only seven seconds behind Bridport B.

The remaining races would see the senior section of the Lyme club come into their own, in so doing increase their overall rankings for the afternoon.

In the Ladies Vets Lyme club made a significant contribution by posting an impressive 4th position.

In the Men's Vets, after a very good start, they very soon made headway over all of the competition with the biggest threat coming from the Weymouth crew.

After a close run race, Lyme took Weymouth on the line to win the race by five

◆ WINNERS: The Lyme Regis Men's Vets team of (from left); Henry Barlow (Cox), Elliott Dale, Tony Ford, Chris Bailey, Neil Spurdle, Toby Newson, Nick Bale

seconds.

This left the Mixed crew race. After a battle with 'Spirit of Langstone' from Hayling Island, the Lyme crew in 'Black Ven' nosed in front of them to take 3rd

position, 11 seconds ahead of the Hampshire crew.

This, again, earned the Lyme club a podium finish, sharing it with Weymouth and Bridport.

### Terras dumped out of Cup

**Petersfield Town 3 Weymouth 1**  
*FA Cup Preliminary – att; 201*  
WEYMOUTH made FA Cup news at the weekend, but not for the right reason when they were dumped out of the competition at the first hurdle by lower opposition and had midfielder Mark Moseley sent off in the process.

The Terras would have fancied their chances of at least taking their opponents back to the Bob Lucas Stadium for a replay, but instead found themselves two goals down after 30 minutes, a situation from which they never recovered.

The Rams languishing in 18th spot in the Evo-Stik Division One Central came under a lot of pressure from their higher opponents, but in the end won comfortably as Weymouth failed to take their chances.

They were on the offensive from the start but home keeper Anthony Ender had no real problems, al-

though he had to enlist the help of Lewis Hyde to clear one situation off the line.

It was against the run of play that Petersfield took the lead on 17 minutes when Alex Przespolewski got on the end of home Joe Briggs low cross from six yards.

They increased their lead on the half hour with a stunning goal from Briggs' free kick from the halfway line.

The ball struck the underside of the crossbar, hit keeper Jason Matthews on the back of the head and dropped over the line.

Things got worse moments later when Moseley was shown a red card following a slide tackle on Hyde.

Both sides had chances to score

before the break; Matthews denying Sean Wain, whilst at the other end Ender produced a superb save to deny Stewart Yetton with his legs. Dean Evans then saw his goal bound effort blocked by Dan Sackman.

Weymouth looked to get back in the game at the start of the second half, but their spirits were dashed just after the hour when Mike Dixon beat Matthews in a race for a through ball to slip it into an empty net for a three goal lead.

It might have been worse as the Rams were on the rampage and Przespolewski thumped a header against the bar before Matthews denied sub Harry Wedlake at point blank range.

Weymouth did find consolation on 70 minutes when Yetton scrambled home from close range, but that was all they could muster as they crashed out.
